Dear Mr. Blakemore:

Re: Small Mining Permit Application, Alta United Mines, Bay City Tunnel, S/035/014, Salt Lake County, Utah

Pursuant to our telephone conversation on December 16, 1992, I am sending you the enclosed Notice of Intention to Commence Small Mining Operations application form and a set of our Small Mining Operations regulations. This information is being sent to assist you in acquiring the appropriate permit from this Division to cover your proposal to develop a secondary underground entry to access the Bay City Tunnel, at Alta, Utah.

Please complete the application form and return it to this office prior to proceeding with any tunnel development. It is our understanding that you are in the process of acquiring/preparing additional information to address questions raised by the Wasatch National Forest, Salt Lake Ranger District. Please provide us with a copy of this information when it becomes available. It will become part of your small mine permit application.

Thank you for your assistance and cooperation in completing this permitting action. Please call me or Tony Gallegos of my staff if you have questions in this regard. In reply please reference the assigned project file number **S/035/014**.

Sincerely,

D. Wayne Hedberg
